About the Event: Impact100 Metro Detroit (I100MD) Grant and Financial Review Committees have been hard at work reviewing our nonprofit applicants to narrow the list to those who will present at the luncheon.

At the award luncheon, the finalists will present their proposed projects. Each I100MD member in the 2018 grant cycle will vote for the \$120,000 grant recipient. Votes will be counted and the grant award winner will be announced. You'll feel like you just gave away \$120,000. (You did!) Members, look for an email with the names of the finalists and summaries of their grant application for your review in the next few weeks.

Our Vision: To continue year-over-year growth with the long-term goal of awarding five \$100,000 grants each year to nonprofits in five key areas: Health, Education, Arts, Environment, Families & Children. Every member and every sponsor helps us toward this goal.

Keep Growing: Help fuel transformation in our community by renewing your membership before or at the event for an even greater impact in 2019!
