

Downtown Boxing Gym Wish List

Our Story...

Our free, after-school academic and athletic program is housed in a 27,500 square foot former bookbinding factory on Detroit's east side.

We currently serve approximately 156 students ages 8-18. There are 850 children on the waiting list to get into our program and that helps fuel our passion to grow. As our founder and CEO, Coach Khali Sweeney often reminds us, "The streets have no waiting list."

Our **Wish List** includes items that will assist us with the tutoring, mentorship, college and career readiness, enrichment programs, athletic programs, healthy meals and more that we provide to our students five days a week. We sincerely appreciate your support!

- USB Drives
