

HAVEN is the only non-profit in Oakland County that provides comprehensive services for the treatment and prevention of intimate partner violence and sexual assault. Each December at HAVEN hundreds of volunteers and donors come together for an extraordinary event called the Gift Giveaway. This event allows families to shop for what they need and what they want - giving them control over this part of their lives when other parts are often not in their control. You can help by donating an item (or two!) or by volunteering. See all info below. Know that you can make a difference in the lives of these families. To help, contact Laura Murphy at lauramurphy248@gmail.com or 248-935-4708.
