

## **Become a Corporate Sponsor**

Our corporate sponsors help fuel our mission in many ways. Matching employee gifts enable women to join us; monetary and in-kind donations allow us to keep overhead low; donations toward sponsored memberships allow women to join who might not otherwise be able to afford it; and event sponsorships help us host gatherings to recruit new members, celebrate and support nonprofit heroes, and broaden our impact in the community.

All corporate sponsors will be featured on our website and at all events. If your company would like to learn more about how to help, and how we can make an impact for you, as well, please reach out to our board of directors today!
